the most comfortable spot, and be pleasingly arranged.

Without cut glass and silverwave a dining room makes little impression and is hardly home like. A few please tastily arranged will make a better effect than many of them placed indiscriminately.

A silver fern dish ruts a finish to the table and livens up the room. A silver set is needed to decerate the sideboard. A few cut glass pieces so erranged as to contrast with the tenset will make the sideboard as it should be. The cut glass required are decemters, berry bowls and fruit dishes. The only other silver piece that should be in evidence is the camelabra.

If you want your dining room to be just so have the bread trays and other trays of silver.

Caruso Fined. Enrico Caruso, the Metropolitan Opera House tenor, was found guilty by Magistrate Baker, in the Yorkville, N. Y. Police Court, yesterday on the charge of having annoyed women in the Central Park Zoo and was fined \$10. He will either refuse to hand over the money or pay under protest and appeal from the decision to the Courtot General Sessions. The fine imposed by the megistrate wa or provided for a disorderly case, which was the technical charge made against Carnao, but it would have been possible for Magistra'e Baker to have imposed a pensity of six months in the workhouse. This latter sentence, under the ordinary method of procedure in disorderly conduct cases, would have been commuted to five days in the workhouse if the corrections commissioner reported that the prisoner had not been committed before within a teriod of two years. Hannah Graham, the complaining witness, did not appear to press the complaint against Caruso.
